**New Starter Profile**

To ensure you benefit from your training course it is beneficial to yourself and the course educator to know a little about you. Providing the information below means we as an education department can make every effort to assist in any needs you may require for your learning as well as get to know you a little better.

<b>Full Name (Please Print)</b>	
<b>Contact Number</b>	
<b>Do you have any special requirements which will help you undertake the training? Do you have any specific learning needs or health needs?</b>  Examples are dyslexia, food allergies etc.	
<b>Learning style (if known)</b>	
<b>Is there anything else we should know about you which will help us to support you during your training?</b>	

Please note that the information you provide will be treated in strict confidence and will be stored safely in guidance with Data Protection and SCAS Policy.
