Officer completing assessment: Dave Sherwood, Head of Clinical Effectiveness

Telephone: 01962 898187

1. *What is the main purpose of the strategy, function or policy?*

South Central Ambulance Service NHS Trust is committed to the development of the role of the Emergency Care Practitioner as a model to deliver health care to the patient as outlined in Taking Healthcare to the Patient (Bradley Report). The Trust is committed to providing the best and safest care for patients by providing the best education, clinical practice and monitoring in order to maintain and improve the role of Emergency Care Practitioners (ECP).

2. *List the main activities of the function or policy? (for strategies list the main policy areas)*

The scope of this policy is to formalise the arrangements within South Central Ambulance Service NHS Trust for the recruitment, training, clinical practice and monitoring of the Trusts Emergency Care Practitioners.

3. *Who will be the main beneficiaries of the strategy/function/policy?*

- 3.1 Patients from safeguarded care
- 3.2 The Trust in terms of having robust governance arrangements
- 3.3 The staff and managers who will have clarity of roles and expectations
- 3.4 Other stakeholders will be informed of the Trusts procedures
